Training Tomorrow's
Law Enforcement Professionals
Today!

What is Law Enforcement Exploring?

It is a co-ed career-oriented arm of the Boy Scouts' Learning for Life program. While many members have been appointed positions in law enforcement here and in other parts of the state, others have gone on to other responsible careers in the military, emergency services, counseling, teaching, etc.

Charleston Police Explorer Post 11

This award-winning career and service-oriented cadet program for students 14-20 meets Mondays, 6-8pm at the Police Department Training Room.

Training includes **classroom instruction** in legal and police procedures, **hands-on training** in police procedures and tactics, as well as community service and Crime Prevention events. Explorers participate in training conferences and competitions in the winter and summer through SCALE (SC Assoc. of Law Enforcement Explorers).

Training topics include Crime Scene and Traffic Collision Investigation, Traffic Stops, Crisis Intervention, Arrest Procedures, Building Search, Fingerprint Analysis, Constitutional Law, Radio Procedure, First-Aid and CPR, and Much More. (We do not teach shooting)
